

AHCSS00188 Mined Land Rehabilitation Machine Operator Skill Set

(was AHCSS00125)

Following strategic revisions of the AHC Training Package by unit sector, several qualifications and skill sets required updating to include the improved units.

Feedback from the recent consultation phase has not resulted in any further changes to this skill set.

The skill set equivalency status has now been added. Due to the equivalency changes of the units, the skill set has been deemed not equivalent.

We are now seeking final validation of this skill set. To validate, please use the survey link on the project webpage.

The units of competency updated in this skill set are highlighted, please see notes on changes between the current and updated units at the end of this document for more information.

Modification History

Release	Comments
Release 1	This version released with AHC Agriculture, Horticulture and Conservation and Land Management Training Package Version 10.0. Supersedes and not equivalent to <i>AHCSS00125 Mined Land Rehabilitation Machine Operator Skill Set</i> . Skill Set requirements updated.

Key:

Superseded units / recommended replacements

New unit

~~Proposed deletion~~ - deleted units/units proposed for deletion

<p>Description</p> <p>This skill set provides basic skills and knowledge for individuals to operate machinery to assist with rehabilitation works on mined land in the conservation and ecosystem management industry.</p>
