Release	Comments
Release 2	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Release 11.0.
Release 1	This version released with AHC Agriculture, Horticulture, Conservation and Land Management Training Package Release 9.0.

AHC21722	Certificate II in Permaculture
<p><b>Qualification Description</b></p> <p>This qualification describes the skills and knowledge for entry level and support roles in the permaculture industry. Permaculture support workers may include urban food growing assistants, permaculture farm workers, community nursery workers, and school garden assistants.</p> <p>Individuals in these roles perform routine tasks under supervision. They collaborate with team members and community members to share resources to grow plants and animals, using basic permaculture ethics and principles. Work environments may include permaculture farms, community farms, and schools.</p> <p>No licensing, legislative or certification requirements apply to this qualification at the time of publication.</p>	
<p><b>Entry Requirements</b></p> <p>There are no entry requirements for this qualification.</p>	

**Key:**

[Unit currently under review in the Livestock Operations project](#)

[Unit currently under review in the Shearing and Wool project](#)

[Unit currently under review and proposed for deletion](#)

**Packaging Rules**

To achieve this qualification, competency must be demonstrated in:

- 15 units of competency
  - 6 core units plus
  - 9 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 5 units must be selected from the electives in Group A
- the remaining 4 units may be selected from the electives in Group A or B
- 1 unit may be selected from any other currently endorsed Training Package or accredited course.

**Core Units**

AHCPER217	Report information about the local bioregion
AHCPER219	Plant and maintain crops in a permaculture system
AHCPER221	Recognise characteristics of integrated plant and animal systems
AHCPER222	Use and maintain basic hand tools and equipment for garden and farm
AHCPER224	Work effectively in permaculture
AHCWHS202	Participate in workplace health and safety processes

**Elective Units**

**Group A**

AHCIRG219	Assist with low volume irrigation operations
<a href="#">AHCLSK2X02</a>	<a href="#">Care for health and welfare of livestock</a>
AHCPER216	Harvest, treat and store seed
AHCPER218	Prepare and store products from a permaculture system
AHCPER220	Harvest crops in a permaculture system
AHCPER223	Produce new plants for a permaculture garden system
AHCPER225	Assist with garden soil health and plant nutrition

**Group B**

AHCECR203	Perform basic ecological restoration works
