Ag Trade Apprenticeship Project

Project Inputs

Workshops
1. Gather input from employers and RTOs on the pros and cons of an Ag Trade Apprenticeship.
2. Conduct skills analysis with employers to identify components of an apprenticeship model.

Interviews
1. Explore issues raised in the first set of workshops with various stakeholder groups.
2. Provide fresh input into the second set of workshops.

Surveys and Open Input Form
1. Validate pros and cons raised in workshops and interviews.
2. Obtain feedback on potential apprenticeship model.

Literature Review
1. Relevant Australian and international programs including participation statistics.
2. Published reports and other data.
3. State and Federal Acts impacting any proposed model.
